

## Group Booking Quote Request

Guest Services: (709) 634-2237 / [stay@marbleinn.com](mailto:stay@marbleinn.com) General Manager: [gm@marbleinn.com](mailto:gm@marbleinn.com)

Thank you for choosing Marble Inn Resort for your upcoming guest room needs. We are pleased to reserve a block of guest rooms for your group and provide you with guaranteed rates depending on the number of rooms and length of stay.

Please complete the Room List table, with the check-in and check-out dates and room representatives. Read the Marble Inn Resort Group Policy and indicate that you agree with our Group Policy and Terms and Conditions of this Group Booking. Send the form to [gm@marbleinn.com](mailto:gm@marbleinn.com).

Marble Inn will provide you with a rate quote for each room type. Your block of rooms will be held for a period of 7-14 days (expiry date indicated on quote).

A 25% non-refundable deposit must be paid on each room reservation before the expiry date. There are two ways to do this:

- Have a representative from each room contact Marble Inn Resort, indicate the group they are with and confirm the reservation with a credit card
- We can contact each room representative as listed on the Room List you provide

### Terms and Conditions

Marble Inn reserves the right to withdraw or change the quoted rate if the number of rooms or length of stay decreases. Any increase in the number of rooms required or length of stay is subject to availability.

Rates are quoted in Canadian funds, per room, per night. In addition to the quoted room rate, all guests are required to pay the Harmonized Sales Tax (HST) of 15%. Taxes and fees are subject to change.

The group representative must agree to the Marble Inn Resort's Group Policy, which is included in this document. Each room representative will be required to agree to and sign the same policy upon check-in.

## Marble Inn Resort Group Policy

We make it our first concern to ensure everyone's stay is enjoyable and pleasant. In doing so, we ask groups coming to our Resort to abide by the following guidelines:

- a) The supervisor that has signed the group booking agreement is responsible for the conduct of the group and will be advised by the General Manager of any problem; he/she will be responsible to correct the problem immediately. If the supervisor cannot be located the individuals in the room will be contacted.
- b) Any type of horseplay or sporting activity in the lobby, halls, guest rooms, or any other public area of the Resort at any time is prohibited.
- c) Guest rooms must remain closed at all times.
- d) There is an 11:00PM **quiet time** which requires all children (under the age of 18) to be in their rooms by this time and restricts all noise.
- e) Volume of the in-room televisions and radios must be kept low enough that it cannot be heard in the corridors or adjacent guest rooms.
- f) Reasonable noise – as determined by other guests – will be permitted; however, all excess noise during any hour of the day will not be tolerated.
- g) Consumption of alcohol is confined to the premises of Resort registries. Consumption of alcohol in any public areas of the Resort not governed by a liquor license is prohibited.
- h) The individual(s) registered for the guest room will be liable for all damages that occur, including damages suffered by the Resort as a result of noise or disturbance to other guests.
- i) The maximum capacity of the pool at one time is 20 persons.
- j) Children under 16 are not permitted to use the steam room, sauna, mineral bath, or exercise equipment (fitness center). This is for the protection of the child.
- k) Individuals using the pool must be attired in proper swim apparel.
- l) A ratio of at least 1 adult to 4 youth (under the age of 16) is required to supervise/accompany youth in the pool area.
- m) We offer a **100% Smoke Free** environment for our guests in all rooms, including all balconies. A \$200 environmental cleaning fee will be assessed to each guest room requiring cleaning due to smoking.
- n) Those not complying with the above conditions will be subject to eviction, without refund of room deposit, at the General Manager's discretion.
- o) The Resort holds the right to call upon local authorities to enforce these policies and any other incidents that may require their attention.
- p) Please be advised that many of these policies are in keeping with the laws and regulations by which the hospitality industry is governed.
